

Safe Holiday Activities to Celebrate With Your Patients

JAM OUT TO CHRISTMAS CLASSICS

Music is a great talking point for nurses who deliver bedside care. Connect with your patients and reminisce about good memories with some holiday tunes.

DRESS UP IN HOLIDAY GEAR

Break out the snowmen scrubs and Santa hat. Add some spice to your work attire to get you and your patients into the holiday spirit.

ENJOY HOLIDAY TREATS AND DRINKS

Swap your coffee for a cup of hot chocolate. Encourage staff to bring a variety of holiday sweets for everyone to enjoy in the break room.

At Eisenhower Health, we care about our employees well-being and health. Are you looking for a top-rated healthcare employer to continue your nursing journey?
